SAPHC
We Party with a Purpose!

Notes from President "Cooler Dave" Spenny

Wow February is always a short month and even with an extra day it sure flew by! Hard to believe Rodeo is over. A big shout out to all our volunteers that came out to Highway Cleanup on 29 Feb!

We had a great crowd up in Marble Falls for the Lone Star Luau, I think it was 30+ SAPHC members. It was a phantastic event with outstanding music. It looks like it will move to a different city/venue next year which is probably good for the event, but it was sure handy having it close by.

Lot's going on over the next few months. We have three great House Concerts this month. We start our support for the San Antonio Food Bank at the County Line Music Series on 5 March. Also our SA Food Bank work day is on 14 March. Our March 19th Happy Hour should be a good one with Christopher Dale from San Diego playing for us. We follow that up with our 21st SAPHC Anniversary Party on 4 Apr with Stoney Gable and The Jonas Lorence Band. Supposedly the new Landshark Bar and Grill on the Riverwalk will open in April and we'll have a special invite for the Grand Opening. Of course we're all looking forward to the Jimmy Buffett Concert in May. Then we follow that up with our trek to the coast, SURVIVE, in June.

It's great that we have quite a few new members. SAPHC now has 295 members as of 1 March!

Till next time, PHINS UP!

February Happy Hour

Happy hour in February was a lot of fun and very exciting. We were signing up for two upcoming House Concerts, picking our spots to see the Escape to Margaritaville in July, and signing up to come to the Anniversary Party on April 4th. We were fortunate to have great tunes provided by our local DJ – Luis Guillen.

Kathy Cobb picked up a table full of donated tshirts to be made into chew toys for dogs. The Anniversary Party is our largest fund raiser of the year. We will be in a new location – the VFW in Schertz. Please look around as you are out and about to pick up some great items for the auction.

Remember – WE PARTY WITH A PURPOSE!!!

What a year this is going to be for Parrot Heads that love Trop Rock Music!!! In February a lot of our club members traveled up 281 to Marble Falls for the Lonestar Luau number 4. The lineup of musicians was incredible, we listened to a lot of our old favorites and discovered some new talent that we had not heard. It is so much fun to gather with friends from all over and share food, drinks, and great music. Highly recommend to all to check out Marble Falls for great food! Thom and Coley have already announced that there definitely will be a Luau 5 in February 2021, but rumor has it that the location might change. Watch your emails for information and put it on your calendar for 2021, each year this event keeps getting better and better.

Pirates and Poets

Port Aransas in February!!!! Great event put on by Pirates and Poets!! This time Parrot Heads traveled south on 37 to put our toes in the water and our a\$\$ in the sand. John Boy and Danielle Diaz put together a great event limited to 80 people. This is a listening event where you get to hear the stories behind the musicians and their music. The weather was perfect for a stroll down the quiet beach. Some of the group got up early on Saturday morning and braved the crowds to attend the Barefoot Mardi Gras parade on Padre Island. Unfortunately, I did not go but the pictures made me realize I missed a good time – will definitely put it on my bucket list for the next time. Saturday afternoon we enjoyed the sunshine at Shorty's and listened to Dennis Davis and the Detentions. Chris' charity is Smile Train. Pirates and Poets put on great events – sign up to receive their emails. They have a Mexico trip in the works in December with Donnie Brewer.

Windy Cindy's Blog (Of Parrot Head Tails)

February was an amazing month filled with Trop Rock Music. I went to the Lone Star Luau in Marble Falls & was wowed by all the talent. The highlight of the Luau for me was hearing Django Walker, son of Jerry Jeff Walker. I was star struck! I have been following JJW for 40 years. Django is a tall drink of water that is truly gifted. He sang originals, which were fantastic, but he did do one of his dad's, "Mr. Bojangles." Everyone was singing along. He wrote the song "Something About a Boat" that was recorded by Jimmy Buffett. He also wrote a Pat Green song "Texas On My Mind" which is a true story about his girlfriend dumping him while he was in school in Liverpool.

I managed to hang until 3 in the morning after the Saturday night show. Wee hours of the morning are when all the magic happens. Django & Jesse Rice were jammin' by the river & I was in my element. Not sure about Middle of the Road which is not one of Chris' cd. Thom Shepherd told us that if the cops show up, "run." My cub reporter, Rocky, had to drive a few folks back to their hotel after they were maybe over served. What fun! I asked Jesse Rice to play "Rainin' On Key West" & he did! The year this song was written I was in Key West at the small stage at the Casa at 2 AM when it started raining & Jesse created this song on the spot. What crazy, crazy musical ability!

I also fell in awe of Leslie Satcher, a singer/songwriter from Paris, Texas & now residing in Nashville. She was fantastic & my new idol. She wrote the George Strait song, "Troubadour". She had the entire audience spell bound! Not even a whisper which is saying something-read the next paragraph!

Later in the month I went to Pirates & Poets. What a great weekend of wonderful music. A new fave of mine is Eric Erdman, even if he does cheer for the Tide, Wendy Albers. I love to just watch him make that guitar sing!

Until April, Phins Up!
Windy Cindy

Parrotheads Giving Back

Fellow SAPHC Parrothead Members, Christie & Derrick Dowden's daughter is in need of a bone marrow transplant.

Meghan was diagnosed with Acute Myeloid Leukemia at 26 weeks pregnant with her 3rd baby in April of 2018. Meghan and her Husband Matthew were told they could only save her or the baby and they had to choose. Of course, that was not an option as they told the Doctors to just do what they could do to save both of them. Meghan stayed in the hospital for the next month under special care. At 30 weeks pregnant they could no longer delay and had no other option but to deliver the baby so they could immediately start treatment on Meghan before it was too late. There were so many risks for both Mommy and Baby. After a very stressful couple of hours, little Raelyn Elise Ramirez was born in May at 2 pounds 4 ounces. Mommy and Baby were both doing fine! Meghan went into remission in January of 2019. Just weeks later she would have a second and then onto a third relapse in December of 2019 this time in the blast phase. After spending over a month in the hospital having chemo treatments and being monitored, she was able to come home in February of 2020. She is currently in remission but will need another bone marrow transplant to help keep her cancer free.

If you feel you can help, please reach out to Derrick & Christie.

House Concert @ Isla Bella

Here is another house concert that will put a smile on your face. Brent Burns is a great storyteller and you never know what he is going to say or do. At MOTM Brent took the big stage after a dare in little more than his boxer shorts, lucky for all in attendance he brought his guitar with him. The banter and story about his songs make this a fun and entertaining event.
